

CONTROLLED CHAOS ARMS

# AR15 CARBINE PACKAGE

## -CONTROLLED CHAOS ARMS—QUALITY, DURABILITY, & RELIABILITY-

Law Enforcement? Varminting? Battle Weapon? Home Defense? General Purpose? We've got you covered. We worked hard to put together a basic, no nonsense, accurate, and tough-as-nails weapon you can rely on. Using solely the coveted LMT parts, CCA cuts no corners with this package including a soft case, our CCA AR15 take down tool, 2 (two) CCA AR15 Extreme Duty 30rd magazines, and our CCA Reliability Package.

### Specifications:

- 16" M4 profile chrome lined barrel with cryogenic treatment to increase accuracy, extend barrel life, and facilitate easier cleaning—1/7 barrel twist for 55gr to 80gr projectiles and A2 birdcage flash hider
- Tactical charging handle assembly in Mil Std 1913
- STANAG 4694 upper with removable rear sight
- LMT Defender lower assembly with Gen 2 six position stock, standard trigger, and ERGO grip
- M4 polished feed ramps and polished Mil Spec bolt carrier group with upgraded extractor
- Uppers and extension tubes coated with Dry Film Lube (DFL) to current military specifications
- All aluminum components made from aircraft grade 7075 T6 aluminum
- All barrels and bolts are proof-tested (HP) and Magnetic Particle Inspected (MPI) for top safety
- Chrome lined bore and chamber for greater wear resistance, corrosion resistance, and reduced drag

**-\$1100.00**

### Upgrades:

- MAGPUL MOE package—hand guard, trigger guard, butt stock, pistol grip, back up sight - \$125
- Cerakote Package—Choose a single color for the upper, lower, and barrel to be applied - \$100
- Geissele SSA upgrade—have the popular Geissele Super Semi Automatic trigger installed - \$175
